

13:02:57 From Jennifer Greenfield : Hello
13:03:09 From Barbara : Hi Everyone!
13:07:50 From Barbara White : Not yet have graduation but making plans
13:08:54 From Nancy Maguire Heath : Rhode Island hopes to have an in-person graduation at end of first quarter in early November.
13:08:55 From Scarlett Valencia : CSDR plans to do a prerecorded video to honor seniors on their originally scheduled graduation day and then do an actual ceremony prior to the winter break if school reopens by then
13:10:03 From Teresa Stotler : Washington School for the Deaf will do a senior recognition on actual graduation date via Facebook. WE hope to maybe have graduation in person the same time as Homecoming
13:10:40 From claire.bugen : TSD will do partially pre-recorded and partially live steamed.
13:11:31 From claire.bugen : It's hard for the kids to understand that it is unlikely that everyone could reconvene at a later date.
13:13:21 From Frank Dattolo : Lex will do the same as CSDR, then have one big blowout party afterwards for missed prom, senior awards ceremonies, yearbook recognition and few others.
13:15:02 From Frank Dattolo : Drive thru doesn't apply in NYC for obvious reasons.
13:15:30 From Eileen Kratzer : Rocky Mountain Deaf School will do a car parade to seniors homes. Staff will drive by their homes. We will have signs in their yard
13:15:55 From clark Brooke : California School for the Deaf, Fremont will be doing awards (elementary, Middle School), Scholarship Ceremony, Foothills Athletic Association (sports Awards) during the last week of school via you tube in the evenings. For graduation, we are still juggling ideas and you all are proposing great ideas!
13:16:23 From Scarlett Valencia : We would love to do a car parade! It'll be very challenging because our students live all over southern CA...some as far as 3 hours away
13:17:13 From Nancy Maguire Heath : We did a caravan to all students' homes for May Day all over the state in many small squads... lots of work, but fun!
13:18:01 From Barbara White : We don't plan a drive through at this point. Mostly virtual then ceremony later in the year if possible at California School for the Deaf, Fremont. We did individually order congratulations signs for seniors to put in front of their houses. We noticed many of the hearing students' homes have those signs in front of their homes with their names and the names of their schools. We will distribute them at their bus stop locations.
13:18:10 From Barbara White : Ha you just mentioned it.
13:19:45 From Scarlett Valencia : Yes we are also doing yard signs--ordering two sets, one to be set up in front of the school and the other sent to seniors' homes
13:23:59 From Barbara White : This is recorded...right? I want to be sure our graduation committee can see this as well
13:24:08 From claire.bugen : TSD sent all the caps and gowns and tassels home so they are ready for our virtual ceremony.

13:24:23 From Barbara White : Thank you. Really good tips!

13:26:50 From Scarlett Valencia : We will do our end of year awards via prerecorded video as well- teachers are making up to 30 sec videos for award presentations and then we'll put everything together and show the movie to everyone on the day the awards ceremony was originally scheduled on May 21

13:27:21 From Scarlett Valencia : Certificates, gift cards, medals, pins, etc. will be given to students when school reopens
