13:04:32 From Donna Sorensen : Positive thoughts, energies, and prayers to your family, James!!

13:09:34 From Barbara : A few of you should feel free to open your camera. Jamie would prefer to see a few faces – he wants to see his audience. He likes seeing the facial feedback.

13:09:55 From Barbara : Thanks!

13:18:12 From Rita Ribera : Hope this doesn't happen.

13:18:18 From Barbara : Laugh or cry?

13:18:34 From Nancy Benham : LOL Claire! Hope that doesn't happen

13:18:48 From J. Jack Johnson : LOL

13:44:53 From Claire Bugen : I have a Health and Wellness reopening committee looking at this with our attorney.

14:15:11 From Rita Ribera : It will happen! Americans are thinking with their emotions and not relying on scientific facts!

14:15:52 From Nancy Benham : Right! It will happen. Yesterday CO came out and said that they feel it will happen around the time of reopening in the fall as school reopen.

14:17:14 From Sarah Glenn-Smith : Given the high likelihood of a second+ wave, any reopening, recovery plans, must have a component dedicated to how to handle the strong potential for multiple closings, and a plan to shift back and forth between in person and online.

14:22:28 From Sarah Glenn-Smith : Like in the airplane, you have to put on your own "mask" before you put on the mask for others. We can't support anyone if we keel over. Taking care of ourselves is a service to our schools

14:23:07 From Peter Bailey @ PSD : Agreed!

14:25:24 From Nancy Hlibok Amann : Amen to Sarah's comment!

14:27:15 From Rita Ribera : Thank you all for sharing your expertise, thoughts, perspective and all the above!

14:28:26 From Michelle Cline : TLC is looking at incorporating Mental health for all staff, students and families and that will be built into the reopening plans.

14:28:28 From Nancy Hlibok Amann : Right on Clark!

14:28:46 From Nancy Hlibok Amann : Always felt good after CEASD's webinars. Thank you CEASD!

14:28:47 From Michelle Cline : All things that James just shared is being considered on many levels – the unmentionables

14:28:59 From Nancy Benham : Great to know that I am not alone of feeling overwhelmed at time! Thanks to everyone for your honesty!

14:30:20 From Nancy Benham : These meetings have been great! Thanks to CEASD for hosting them and bringing everyone together!

14:31:12 From Sarah Glenn-Smith : Thanks everyone!
